INTERNSHIP

CODE CLAUSE

July-Aug(2023)

WEB DEVELOPMENT INTERN

- I created a unit converter using HTML, CSS, and JavaScript.
- The converter allows users to convert values between different units of measurement easily this project allowed me to practice my HTML, CSS, and JavaScript skills, as well as gain experience in problem-solving and algorithmic thinking.
- I created a portfolio website as part of my CodeClause internship. The website was built using React, TailwindCSS, and Three.js.
